## **English Preface**

‘God Ile Riong Kinnga Ponganga’ is a meaning based translation of the New Testament into the Mangseng language of Papua New Guinea. The approximately 3,000 speakers of this language live in the mid section of New Britain Island. Information about parallel passages, footnotes, cross references, manuscript variants [indicated by square brackets], and the glossary and topical index in the back, have been given in the Mangseng preface above. We give thanks to God for the prayers and gifts of His people which were an integral part of bringing this translation into existence. We trust that God Almighty through the power of the Holy Spirit will mightily use His word in the Mangseng language in the lives of His people who speak Mangseng.
